II. Preface

WolfgangseeSchiffahrt assumes responsibility for the carriage of persons, animals, bicycles and luggage aboard the ferries which it operates on lake Wolfgangsee subject to the following conditions which are deemed to apply in equal measure to WolfgangseeSchiffahrt and its passengers as a contract of carriage.

III. Definitions of Terms

1. In these Fare Conditions, the following terms are used according to the meanings as detailed:
 - 1.1. **Transportation Credential**

Absent evidence to the contrary, the transportation credential is deemed to be verification of the conclusion and content of the contract for carriage.

Consideration that shall be paid for utilization of transportation service, not excluding other forms of consideration.
 - 1.3. **Fare**

IV. General Conditions

2. **Transportation Credentials**

- 2.1. Transportation credentials are deemed to be all tickets and forms of identification which have been issued by WolfgangseeSchiffahrt as well as official forms of identification which are recognized as transportation credentials. Every passenger must ensure that they are in possession of a valid transportation credential immediately upon commencement of the journey.
- 2.2. The applicable fare conditions and conditions of carriage derive from the choice of transportation credential.
- 2.3. Transportation credentials are issued for transit between all boat landings operated by WolfgangseeSchiffahrt, both by on-board cashiers as well as ticket windows located at the landing in question.
(Individual) Transportation credentials may also be issued by other ticket outlets (e.g. the SAGT Webshop).
- 2.4. Transportation credentials are valid, insofar as no exceptions are stipulated within the scope of specific fare discounts, on the validity date printed thereon.
- 2.5. With respect to transportation credentials for single trips, no interruptions to the journey are permitted.
- 2.6. The transportation credential must be presented or handed over for inspection immediately upon the request of any WolfgangseeSchiffahrt employee. Upon demand, the transportation credential must be relinquished upon conclusion of the journey in question.
- 2.7. Transportation credentials which have been purchased in advance must be presented unsolicited to the on-board cashier.
- 2.8. If the passenger is unable to present a valid transportation credential for inspection, the passenger shall pay an inspection fee as prescribed in Section VII together with the applicable standard fare for a one-way journey from Strobl to St. Gilgen.
- 2.9. A transportation credential is invalid if
 - the contents thereof have been altered without authorization, or
 - due to its condition its validity cannot be verified, or
 - it does not meet the fare conditions in some other way, or
 - it is being used contrary to the fare conditions, or
 - it is only valid in combination with an ID and the applicable ID cannot be produced or is invalid.

Invalid transportation credentials will be confiscated by the employee tasked with the ticket inspection in exchange for a receipt.

3. **Seat Reservations**

Seat reservations are only possible for regularly scheduled ferry service and only for group travelers within the framework of preordered catering services. Seat reservations lose validity if the transportation credential/s has/have not been picked up by thirty minutes prior to the scheduled departure time as stipulated, and no advanced notification (e.g. by telephone) has been provided.

4. **Means of Payment**

The passenger should have the exact fare ready (if possible). Employees of WolfgangseeSchiffahrt are not obliged to accept bank notes over € 100.00 or 1- and 2-Cent pieces with a value of more than € 2.00.

VI. Miscellaneous Fares

17. **Gift Vouchers issued by SAGT**

Gift vouchers purchased during the 2025 season are valid for a period of 5 years after the date of issue. The expiration date of the gift voucher is printed on the voucher itself. If a service which is included in the gift voucher is removed from the scope of services during the validity period of said voucher, the value of the still-valid voucher may be applied to another tourism service offered by SAGT of the holder's choosing, or the holder may demand a refund.

Gift vouchers must be redeemed at the on-site ticket windows (SchafbergBahn = SchafbergBahn valley station; WolfgangseeSchiffahrt = ticket offices in St. Gilgen, St. Wolfgang Markt or St. Wolfgang SchafbergBahn).²

Redemption of the voucher for cash as well as separate redemption of individual services is excluded.

The currently valid SAGT conditions of carriage for the WolfgangseeSchiffahrt Ferries and the SchafbergBahn Cog Railway also apply to gift vouchers.
